We'll find it.

### **Broad Experience.**

We've worked in every facet of the multifamily industry. You name it, we've done it—leasing and training, accounting and management, even information technology... We've serviced this industry, too—as vendors in publishing, multimedia, marketing, signage, manufacturing and more. And we've been doing this since 1989. That's a lot of experience.

### **Unmatched Industry Expertise.**

We like to think we're great at what we do. We place great hires in exciting employment positions as varied as our own rich history—from on-site opportunities to corporate and vendor career paths. Being armed with an in-depth knowledge of the multifamily niche market allows us to better serve our clients and candidates alike. Since happy clients and happy candidates are fun to be around, we really enjoy what we do.

### **We Go the Extra Mile. Here's How:**

1. We regard your confidentiality with respect and care.
2. Our diversified industry background lets us anticipate your every need, and we'll do so proactively.
3. Our candidates undergo a thorough screening process, qualifying interviews, plus comprehensive reference and background checks.
4. We employ cutting edge technology to expedite the search and hiring process, giving you faster results.
5. We offer objective advisement on negotiating the terms of employment.
6. We guarantee your satisfaction. If you're not satisfied with a new hire we've placed, we'll replace them. Just let us know within 90 days of their start date.
